STARMANSHIP

Dear Sirs,

We write to you to give our thanks for the beautiful educational seminars that you shared with us in October and we take the chance to thank you as well for the one in March 2006. We have gained so much from them to the extent where it is now our daily terminologies at the offices. We are looking forward to learn so much more from your esteemed professional company in the days to come. Thank you again for your hard work and the knowledge you armed us with.

Sincerely,

Liliane Zorub
H.R. Manager
