Hazmieh, October 10, 2006

Dear Sirs,

Allow me to thank you sincerely for the workshop you gave at SNA on Friday the 6th of October on the topic of "Time Management & Working in exceptional times".

As per the participant's feedback, your energy and enthusiasm were contagious, and the simplicity with which you shed light on the subject and involved all the participants was highly appreciated.

Hoping to share similar opportunities in the future, we remain,

Yours sincerely,

Société Nationale D' Assurances S.A.L
