## **STARMANSHIP & ASSOCIATES**

Attention Mr. Fayez Helou / Marketing and Sales Director

Subject: "The 7 Principles for Effective Living in Tough Time" session of  
November 17<sup>th</sup>, 2006

Dear Fayez,

We refer to the above training session held at Bankers Assurance on the 17<sup>th</sup> of November 2006, and which was gratuitously offered by Starmanship and Associates.

In this respect, we would like to express our thanks for this gesture and assure you of the success of the session.

In fact, Roland's intervention not only made its way to affect the beliefs of our team on a professional level, but also on a personal level.

As we look forward to work with Starmanship and Associates in the future, please accept our Best Regards.

Yours faithfully.

Labib Nasr  
Capitole Branch Manager
