Mr. Raja' Haddad
Starmanship & Associates - Lebanon

After Compliments,

With reference to the course of study titled Strategic Planning Using Information Technology which I have attended during the period from 17 - 23/4/1998.

Due to the tremendous benefits which I have gained from attending the said Course, it was my desire to organize the same at the Ministry of Electricity and Water premises in Oman in order to extend the benefits among the largest number of the Ministry's Officials.

The Course of study was, in fact, organized during the period from 21/11/1998 to 25/11/1998 and every one was amazed of the benefits gained and commended particularly on your extravagant performance which was creative and innovative.

On behalf of the Ministry of Electricity and Water Officials, and myself, it is my pleasure to convey our appreciation and gratitude for your distinguished approach and the remarkable efforts you have exerted during the said Course. We wish you all the success that you rightly deserve in the future.

Best regards,

Abdullah Ali Dawood
The Undersecretary
